Who Took Baldric's Seed Pouch?

TUESDAY · 16 CLUES · 7 GUESTS

Auntie Pearl had 7 Seekers at the table when Baldric's seed pouch went missing from the field cart. One of them took it, and that one will lie; the rest are honest. Three ledgers tonight (who caught which fish, who polished which stone, and who grew which crop), and the clues braid across them all. Square the grids. Find the liar.
