

The Lucky Dish

FRIDAY · 11 CLUES · 6 GUESTS

One dish at the feast was seasoned with a memory-spice, and this morning someone’s account of the night is suspiciously off. 6 Seekers, 6 dishes, one liar. Work out who ate which dish; the honest remember their supper true.

Find the liar. Close the case.

- ※ Flour dishes: built on pastry or batter (the Tart, the Cake, the Fritter): Tart · Cake

AUNTIE PEARL’S LEDGER: THESE FACTS ARE ALWAYS TRUE

- Elanna, Ivan, and Michael ate the Cake, the Roast, and the Wurst, in some order.
- Kattia ate a dish with an S in its name.
- Whoever is behind this ate the Cake, the Tart, or the Hash.

WHAT THE SEEKERS SAID

- Dan says: "Elanna didn't eat the Stew."
- Michael says: "Kattia didn't eat the Stew."
- Michael adds: "Elanna, Anne, and Kattia ate the Tart, the Wurst, and the Hash, in some order."
- Ivan says: "Dan's dish isn't built on flour."
- Elanna says, not looking up from the whetstone: "Ivan didn't eat the Roast."
- Elanna adds: "My dish has an S in its name."
- Kattia mutters "Blinding lights," then says: "Dan, Elanna, and Ivan ate the Wurst, the Stew, and the Cake, in some order."
